Personal Statement

Senior CGI Artist and Architectural Visualizer with a strong focus on delivering high-quality, realistic visualizations. Experienced in transforming architectural concepts into compelling stills and animations through precise modeling, texturing, and post-production. Collaborative, detail-oriented, and client-focused, with a deep appreciation for architecture and design excellence.

Experience

CGI Artist

3MD Studio – Dubai, United Arab Emirates. (On Site) | April 2025 – January 2026

- Managing client communication and handling design modifications across projects.
- Leading visualization projects end-to-end, from still imagery through animation and post-production, ensuring quality, consistency, and timely delivery.
- Understanding the project requirements and conceptualizing creative ideas.
- Coordinating with the visualization team to maintain consistent quality and visual standards across projects.
- Collaborating with architects, designers, and internal teams to translate design updates into effective visual solutions.

CGI Artist

Nara Studio – New Cairo, Egypt. (On Site) | July 2022 – Oct 2023

- Designed 3D models, textures, and animations for Multiple Projects.
- Creating realistic walkthroughs and still 3D graphics for Exteriors.
- Understanding the project requirements and conceptualizing creative ideas.

CGI Artist

NAM Studio – Germany (Remotely) | Mar 2023 – Oct 2023

- Creating realistic walkthroughs and still 3D graphics for Interiors and Exteriors.
- Dealing with the clients for various projects description.
- Ensuring that all products are compliant with company standards.
- Ability to work under pressure to meet deadlines

SOFTWARE EXPERTISE

- Autodesk AutoCAD | Advanced
 - Autodesk 3Ds Max | Advanced
 - Corona renderer | Advanced
 - Adobe Photoshop | Advanced
 - Blender | Beginner
 - Rail clone | Advanced
 - Ty Flow | Beginner
 - Chaos Phoenix | Smoke and Water Simulations | Intermediate
 - Anima ALL | Intermediate
 - AI Software | Project Dream - Magnific AI - Mid Journey AI - Kling AI - Nano Banana Pro
-

Education

The Egyptian Russian University in Egypt | 2018-2023

- B.Sc. in Civil Construction Engineering
- GPA: 3.34
- Graduation Project Grade: A

CERTIFICATES

- Completed a specialized course by **Common Point**, focusing on realistic lighting techniques. Acquired advanced skills in simulating natural light using sun and HDRI for architectural visualizations.

Language

- Arabic: Native Language
- English: B2
